

CUSTOM SUPER CHEXX GRAPHICS OPTIONS AND PRICING

Throughout the years, ICE has developed the ability to fully customize the Super Chexx Pro. This unique service offers our customers a one-of-a-kind game. ICE's Super Chexx department and Graphics department work closely to create custom games that is sure to impress family, friends, and visitors. An ICE representative will work directly with customers from inquiry to delivery. To begin the process, please email us at chexx@icegame.com or call us at 855-552-4399.

Customers need to provide ICE with logos and/or artwork in either vector file format (like Adobe Illustrator) or high-resolution bitmap (like Adobe Photoshop). Acceptable file types are: Adobe Illustrator (.ai) or Adobe Photoshop (.psd, .jpg, .png, or .tiff) 150 pixels per inch minimum at 100% size. Images of custom jerseys desired must also be provided for artists to replicate.

Please note that customers must have legal permission in writing for ICE to re-produce any licensed or trademarked logos or graphics on a custom game. ICE does **NOT have an NHLPA License**, we cannot include names and numbers on jerseys, but number sheets are available for purchase for customers to add to players later.
